NOTICE

The owner, licensed contractor and/or Authorized Agent is hereby provided with the following notice:

- The state contractors registration act (RCW chapter 18.27) requires all persons doing any work as a contractor to obtain a Certificate of Registration from the Washington State department of Labor and Industries.
- The owner will personally perform the proposed construction or the owner will contract to have the above work performed by a Registered Contractor.
- The owner, if not a registered contractor, may construct improvements on his or her own property provided it is done WITHOUT the intention of selling the improved property.
- It is unlawful to do any work as a contractor without a Certificate of Registration. Violation of these requirements is a misdemeanor.
- This building permit will expire unless an approved inspection is completed once a year.
- It is the owners' responsibly to make sure all inspections are preformed and shall not occupy or use without a final inspection or Certificate of Occupancy.

I hereby acknowledge that I have read this application and state the above information is correct. I agree to comply with all current codes, laws, regulations and permit requirements related to this project. I hereby certify that I will pay all fees as required by law, including any applicable review fees if I do not purchase the permit. I hereby grant to the City of Cle Elum Building Department a right to enter onto the premises as described for this permit application, for the purpose of making such inspections and tests as may be required. All permit fees are non-refundable.
