

UPPER KITTITAS COUNTY Community Recreation Center

We're conducting a feasibility study for a community recreation center.

The Upper Kittitas County (UKC) region doesn't currently have a community center or public recreation facility. This feasibility study will:

- **Identify programs and features** that would meet the needs and interests of the community
- **Estimate costs** of designing, building, maintaining, and operating a center
- **Determine if a community recreation center is desired, feasible, and worth pursuing**

Meet the UKC CRCA

The Upper Kittitas County Community Recreation Center Alliance, or UKC CRCA, is a new nonprofit organization. Learn more and see a list of members at RecreationUKC.org
