Welcome to the City of Cle Elum!

We hope the utility information below is helpful to you as you settle into your new community.

Water*

- A typical residential water service is a ¾" line.
- The base rate allows you up to 1,200 cubic feet of water use each month.

Sewer*

- Commercial sewer is charged on each account relative to the amount of water used.
- Residential sewer is charged on a base-rate basis.
- South side of Cle Elum (south of the river), sewer is paid to Town of South Cle Elum.

Garbage*

- Garbage day is Monday. Please have your garbage cart out before 5 AM each Monday.
 - *You may be charged for extra bags next to your cart or if your cart's lid is not completely closed.*
- If your garbage is missed, you must contact City Hall for recovery which will be scheduled on Thursday.
 - *Credit will not be issued for missed garbage unless the recovery day is unsuccessful.*
- Contact City Hall to change the size of the garbage can, dumpster service, or if your cart needs to be replaced due to damage.
 - *Garbage recovery or replacement will generally occur on the first Thursday after you contact City Hall.*

City of Cle Elum Solid Waste Services

The City of Cle Elum contracts with Waste Management to provide garbage collection services within the city limits. This service is included on your city utility bill. To manage your account call City Hall at (509) 674-2262.

Recycling in Kittitas County

Join your neighbors in recycling at the Kittitas County Transfer Station. By recycling you are helping to save energy, reduce water pollution, reduce water consumption, preserve natural resources and create jobs.

Recyclables may be dropped off for free at the approach to each transfer station.

The loss of natural resources, energy and increasing costs of disposal make home source separating and recycling an important alternative.

The following recyclable items are accepted at the Kittitas County Transfer Stations in Cle Elum and Ellensburg:

| | | | |
|---------------|-----------------|-------------------|----------|
| Newspaper | Cardboard | Magazines | Tin Cans |
| Aluminum Cans | Plastic Bottles | Plastic Milk Jugs | |

Cle Elum Transfer Station - Operated by Kittitas County

50 - #5 Mine Road, across from the Cle Elum/Roslyn School
Tuesday - Saturday
8:00 am - 1:00 pm, 1:30 pm - 4:00 pm

Free document shredding

Kittitas County Solid Waste Program provides free confidential shredding of documents for residents. For information go to <http://www.co.kittitas.wa.us/solid-waste> or call 509-962- 7542.

Code of Winter

Winter time can be a beautiful time of year in the City of Cle Elum. Living in the “Heart of the Cascades” can also mean heavy snow, and other types of severe weather events. The following will familiarize you with some of the City’s policies related to winter conditions.

Plowing: The City routinely evaluates road conditions and sands and salts the streets as warranted by icy conditions. Typically the City does not plow roads until there is at least 6 inches of snow accumulation. Plow routes generally start in the downtown area and move outward into the residential areas. When you hear the plow coming, it makes it easier to move your vehicle before the plow operations start in your area. Please do not move your vehicle into the area that has not been plowed yet.

Sidewalks: If you have a sidewalk that abuts your property you are required to keep it clear and usable, seven days of the week. Please remember that it is illegal to blow, plow or shovel snow into the City streets and / or rights of way.

Storm Drains and Fire Hydrants: If there is a storm drain or fire hydrant in your area, it would be helpful to the City, yourself, and neighbors if you could help keep it clear. The City does its best to keep these valuable pieces of infrastructure clear, but limited staff and the time involved with snow removal makes this a lower priority during snow removal operations. Your help is greatly appreciated.

Parking: *To aid in snow removal, the moving of parked cars during removal operations is required to keep our streets open and to provide adequate parking for everyone. It is unlawful for any owner or custodian of a motor vehicle to park on any street, alley, avenue or road in the City of Cle Elum for any continuous period exceeding 24 hours.*

- All vehicles parked on city right of way must be able to run on their own power. If you own more than one vehicle, and it can not be moved during snow removal operations, please find an adequate off street parking location to aid in keeping street clean.
- Parking in the downtown core, either side of Pennsylvania Avenue from Second Street to Railroad Street, Harris Avenue from First Street to Railroad Street and Wright Avenue from First Street to Railroad Street during the hours of 3 am to 6 am are prohibited. *Vehicles parked as such will be towed at the owner’s expense. Additionally, no person shall park any motor vehicle on the traveled portion of any street, avenue, roadway, or road within the City of Cle Elum.*

Snowmobile use in City Limits: In order to facilitate access between the city and outlying unincorporated areas surrounding the city, Railroad Street is designated as a snowmobile trail. The operation of snowmobiles upon this designated trail area is for ingress and egress to the city and additional purposes including parking of snowmobiles, shopping and engaging in commerce.

- Other than this designated street, snowmobile use is prohibited on Cle Elum Streets except for ingress and egress to your place of residence or the place of storage of snowmobiles inside or outside the city.

Frozen Water Pipes: Temperatures in Cle Elum can get well below freezing. If you do not keep heat on in your home it can cause water in your pipes to freeze. Frozen pipes can cause tremendous damage to your home if not caught immediately.

- If you plan to turn your heat off in your home or will not be occupying your home during the winter, you can call the City to shut off the water at the meter. You can then drain your pipes and winterize your plumbing.
- If requested by the home owner, the City will shut water off at no cost to you during normal working hours for winterization or repair purposes. *The City will only shut off the water if the owner/ caretaker is present or can tell us the hot water tanks are unplugged and/or turned off.*

Please understand the above information is designed to give you a general familiarity with some of the winter policies of the City. For the full policy of law regarding these topics, or to have answers for specific questions please contact City Hall.

Thank you
